

NewLife™ Detoxification & Rejuvenation Programme Easily Kick-Starts a Healthier Lifestyle

新生命的排毒与复健程序 轻轻松松 展开健康的生活

Jeannie Chan · Hong Kong

With its step-by-step instructions and schedules, the NewLife™ Detoxification & Rejuvenation Programme (DRP) has helped me to easily kick-start a healthier lifestyle. During the DRP, I took several beverages such as the Cleansing Drink, Tissue-building Drink, and Health Drink a few times daily and administered the coffee enema. Everything needed for the programme can be easily sourced at a one-stop centre. The Health Drinks are easy to prepare and the ingredients needed, i.e. carrots and green apples, are also easily available.

During the DRP, I found that not only was my digestive system able to rest well, the supplementation of nutrients combined with the coffee enema helped my body to eliminate toxins faster and more effectively - enhancing the effects of detoxification. It was quite different from anything that I have experienced before.

Every time after administering the coffee enema, I felt physically more relaxed and mentally refreshed. I just love the coffee enema! The DRP has given me a fresh attitude towards life; I feel that I can better take charge of my own quality of life. I have full confidence in executing this simple and easy-to-follow detox programme for myself and my loved ones, anytime in our own home. We can detoxify and cleanse our body and mind, relax and rejuvenate, while fostering closer bonding with each other.

陈婕莹 · 香港

新生命的排毒与复健程序 (DRP) 让我轻轻松松展开了一个健康的生活。DRP 提供了一个易于遵循的指示步骤, 我每天按照时间表饮用各种饮料, 如净化饮品、细胞建设饮品和保健饮品, 以及配合咖啡灌肠。所有所需的食材都可一站式买到。保健饮品所需的甘菊和青苹果也非常容易买到和预备。

在 DRP 期间, 不但消化系统可好好休息以外, 我也发现营养补充配合咖啡灌肠能使身体更有效和更快地清除体内毒素, 排毒效果更加理想。这跟我以前体验过的排毒方法有所不同。

每一次完成咖啡灌肠后, 我都会感到身体松懈和思想清晰。我非常喜欢咖啡灌肠! 新生命 DRP 带给我一个新的生活态度, 除了让我掌握有品质的生活, 我也有把握可以在家中自己实践给予自己和家人渡过一个简单、轻松的排毒活动, 静心净身, 充分休息和建立彼此的关系。

NewLife™ products are now available in Hong Kong! 新生命产品现已在香港出售!
